

Our supporters make a huge impact

The money raised, helps children who are seriously unwell, make the most of every day.

- Donations to Noah's Ark are vital. This year we need to raise over £4 million.
- With over 80% of our income being voluntary, we're relying on the support from our community more than ever.
- There are around 2,500 children in our catchment area who could be benefiting from our services.
- By supporting our annual flagship autumn appeal, **From That Moment**, we can be there for babies, children and young people – and their families – when they need us.

To donate, please scan here or visit fromthatmoment.co.uk

£1,500
could fund
one week of
bereavement
support

£1,000
could fund
three days of
music therapy
